HCS Approved Fluke DTX for Testing HCS Links & Channels

HCS – HES Cabling Systems, the only Turkish manufacturer of state-of-the-art LAN Cabling Systems, has completed the evaluation of Fluke Networks' DTX Series CableAnalyzer™.

We are pleased to announce the approval of this test equipment for use in field testing of the following HCS products lines:

HCS DataLink 100e Category 5e Permanent links & Channels
HCS DataLink 250 Category 6 Permanent links & Channels
HCS DataLink 250e Enhanced Category 6 Permanent links & Channels

The following requirements apply:

- Channel testing with DTX-CHA001 test leads.
- Permanent link testing with DTX-PLA001 test leads and PM06 personality module.
- Firmware revision 1.00 or higher.

HCS will accept test results provided with this tester for the HCS Century™ Lifetime Warranty program.

HCS has also evaluated the measurement accuracy of the DTX-1800 CableAnalzyer™ unit in its laboratories up to 625 MHz. The test results obtained with this field tester correlate very closely with tests performed with our laboratory equipment.

More details can be found at the following link:
